MOTIVATION

I am a Qualified Graphic designer, I believe that I possess the skills to perform well under pressure, work individually and in teams, as well as be creative and assertive in a working environment.

I pride myself on my ability and drive to learn new things in this field of study to improve my skills as a Designer. I am exceedingly passionate about Creative design and with my tenacity for learning and working, I aim to be an asset to the company that gives me an opportunity to use my skills
